

# A NEW SKILL TO LEARN

# Level 3-4

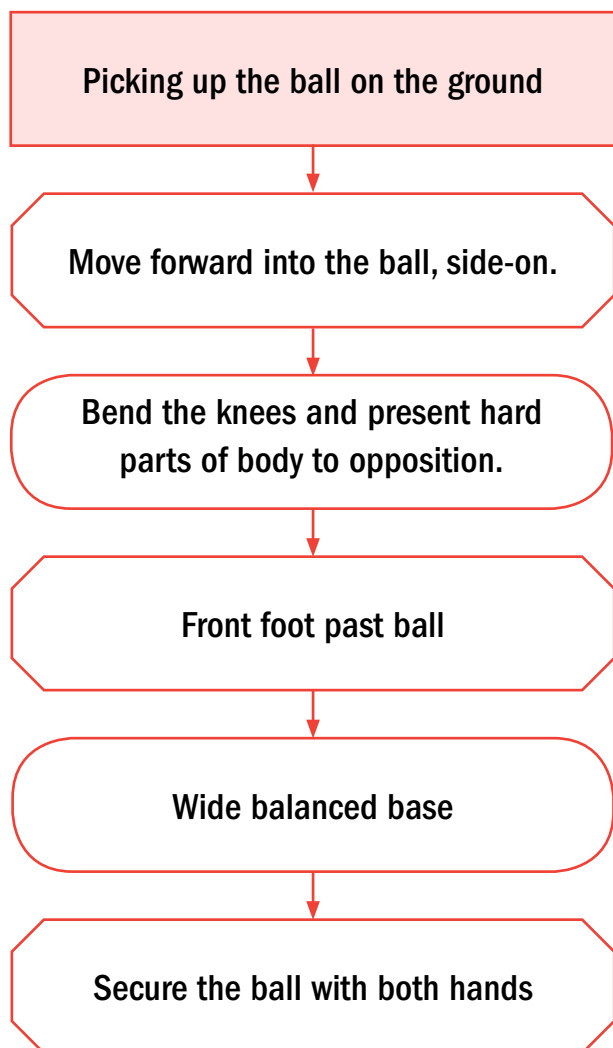

When you are learning a new rugby skill, it is very important that the coach gives you clear instructions.

Make a flow chart for one of the skills below. You may want to use this chart for demonstrating a skill on a video.

**Flow chart:** Written instruction that has arrows pointing to the next instruction

Place Kick	Punt	Catch a ball	Tackle	Make a scrum
Make a lineout	Pass the ball	Drop kick	Form a maul	Fall in the tackle
