

RUGBYCROSS GAME

Level 3-4

Using the grid, or one similar to it, fill in the squares, trying to score as many points as possible. (See the letter-scoring table below). Rugby words must be spelt correctly but you may use a dictionary to check your own words first.

This activity may be done more than once. See if you can do better each time. Ask your teacher to draw up a new pattern. Perhaps you can make up a new one!
