

# CARTOON CREATION

# Level 4

Cartoons combine visual and verbal language to achieve particular effects. Look at the following cartoon strip, then recreate your own with these suggested storylines.

- ✦ A bully comes and takes your rugby ball.
- ✦ The wind is blowing so hard your kick goes over your head and over the opposite posts.
- ✦ As you are running for a try bits of your rugby gear are flying off.
- ✦ You are a bug in the grass as people are playing rugby over you.
