

MEASUREMENT & NUMBER STRATEGIES

Stage 2-4

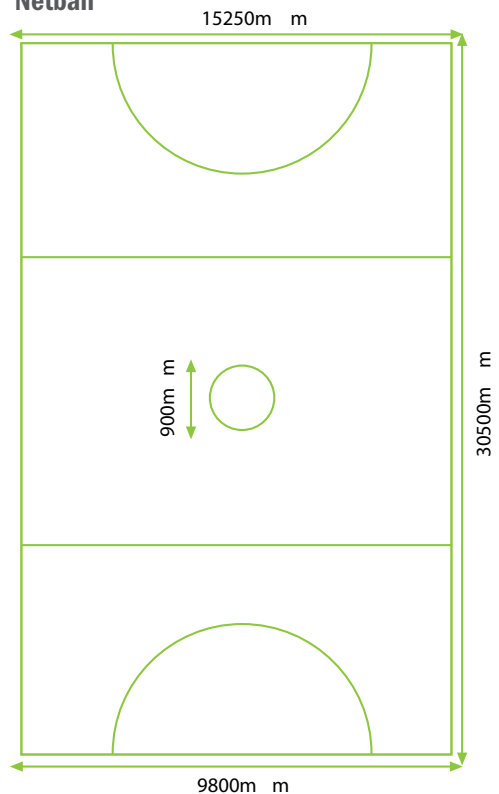

- Calculate the area of a:
 - Basketball court in m²
 - Hockey field in m²
 - Rugby field in m²
 - Netball court in m²
- How many netball courts would fit into one rugby field?
- Calculate the length of all the lines for netball, basketball and hockey sports fields.

Which sports field needs to use the most paint?
(Note: diagrams not to scale)

Basketball

Netball

Hockey
